

WHO WE ARE

Established in 1988, Interstaff has three decades of experience in business migration. We are equipped with the knowledge and expertise to handle your migration requirements efficiently and cost-effectively and with a focus on helping you maintain migration compliance.

Based in Perth, Western Australia, we specialise in strategic solutions and are trusted by a range of business clients from local businesses to multinational organisations in Australia and internationally.

Our experienced team of migration consultants manage the entire visa process to meet your business requirements. We pride ourselves on being 'sharp, dependable, expert and human' and delivering to these core values as a key part of our service delivery.

OUR BUSINESS MIGRATION SERVICES

• Strategic analysis

At Interstaff, we always consider the bigger picture. Our 30 years of experience enables us to develop and implement a migration strategy that meets your needs while helping your business maintain migration compliance.

• Business sponsorship agreements

We assist with establishing migration business agreements, including Standard Business Sponsorship and Labour Agreements, so that your business has the opportunity to employ skilled professionals from overseas.

• Visa coordination and management

We liaise with government agencies, regional certifying bodies or skills assessment authorities and manage the entire visa process for all of your applicants and their families. We provide expert advice at every stage of the process.

• Compliance, audits and risk management

To ensure your business remains compliant, we monitor your cases using our purpose-built systems and robust tracking tools. This makes it easy to prepare your business for potential audits by the Immigration Department.

• Complex immigration cases

Our migration consultants are highly experienced in matters such as visa cancellations, health and character issues and merits reviews. We are dedicated to helping you resolve complex immigration cases or pursue appeals.

• Proactive communications

We keep all clients up to date with status updates and immigration news. We also conduct strategy sessions to proactively address legislation changes and their impact on your business.
